The hotel offers various areas within the hotel, all of which are fully accessible and can accommodate varying numbers of guests.

The 'Mirrored Area', situated in the bar is an ideal area for smaller, more intimate gatherings, suitable for groups of up to 25 people.

Oscar's Restaurant is a larger space where you and your guests are able to socialise freely. Oscar's Restaurant is a light and spacious room which can cater for larger parties in excess of 30, and up to 100 guests in an informal buffet style set up.

An alternative option for the smaller gatherings is our Wilford Suite. This area is available for those who prefer to have a sit down meal, rather than the more informal buffet option.

Due to the nature of the enquiry, the hotel keeps all costs as clear as possible and does not add on any hidden charges. With most of the buffet options, no additional room hire is charged (unless stated) therefore it is simple and stress-free to manage your costs for the day.
